He spent a few years after than being a troubled child in care.

Foster Parents

When he was 13 he was taken in by Arthur and Mildred Trevelyan, foster carers who were very patient and supportive, while giving him boundaries. He eventually settled down with them and came to love and appreciate them as surrogate parents. He refers to them as Mum and Dad and adopted their surname.

Arthur (50) is a Doctor and Mildred (45) is a Nurse.

His legal name is currently Alex Trevelyan and his legal address is their home. He does not live there, but visits regularly to catch up and collect his post.
