## Edges

### Lucky

William does not realise it, but he has a streak of luck, usually when things are bad. He is able to spent up to 2 points of LUCK without reducing his stat.

### Cool Demeanour

Does not lose his cool so easily. Less likely to suffer a panic reaction to a failed Fear Check.

## Drawbacks

### Taphephobia (5)

Has an irrational fear of being buried alive and the idea haunts him.

### Overweight

Carrying a bit too much and not very fit.

### Alcoholic

Needs a drink to "take the edge off" and drinks too much, too often.

### Paranoia

Constantly worries he is being watched and does not trust people he does not know a lot about.

## Current Values
